RE: FOIA Request No. 22-03450-F

Dear Emily Santora:

This letter is a final response to your request for information pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, dated August 19, 2022, and received in the FOIA Service Center (FSC) on August 22, 2022. Your request was forwarded to Federal Student Aid (FSA) office to search for documents that may be responsive to your request.

You requested the following: “The number of borrowers who attended ITT Technical Institute from January 1, 2015, until its closure who, as of August 16, 2022, had no outstanding federal student loan balance related to their enrollment at ITT.”

On September 1, 2022, you clarified your request as follows: “The timeframe is from January 1, 2015, to August 16, 2022. Put differently, what we are requesting is the total number of borrowers: (i) who attended ITT on or after January 1, 2015, and (ii) who, as of the date of our request, have no outstanding balance.”

FSA provided the following information: Approximately 45 thousand borrowers attended ITT Technical Institute from January 1, 2015, until its closure and had no outstanding federal student loan balance related to their enrollment at ITT.

Provisions of the FOIA allow us to recover the costs pertaining to your request. The Department has concluded that you fall within the category of Other. However, the Department has granted your request for a fee waiver, therefore, the Department has provided you with this information at no charge. The Department’s release of this information at no cost does not infer or imply that you will be granted a fee waiver for future requests made under FOIA to the Department.

You have the right to seek assistance and/or dispute resolution services from the Department’s FOIA Public Liaison or the Office of Government Information Services (OGIS).
